June BBQ

June 18th General Meeting is our Annual Club BBQ. Nobles are encouraged to wear the Club #2 dress – Club shirt, slacks or shorts (no cutoffs) and FEZ.

FROM THE PRESIDENT'S DESK . . .

Nobles & Ladies

Thank you to Noble John Neil, Vice-Chairman of the Montreal Children's Hospital and Noble Don Gillis, Captain of the Guard for attending our May meeting. Our nobles enjoyed your visit as well as Noble John's presentation on how a child's application is handled and an update on what is happening at the Montreal Children's Hospital.

We all came away with a better understanding of how the hospital we support, functions and how well it performs. Once again, Thank You Noble Neil!

We also had two nobles visiting our meeting, Nobles Tom Hayward and Brett Kahler. We hope that they come again and will become members of Algonquin Shrine Club.

When you read this, our fun time at the Ceremonial will be over and I hope that all who attended enjoyed their time there.

Nobles, you will be pleased with our new float easy to get on and looks great. I would like to add my thanks to Nobles Jim Burke, Wayne Wiggins and Dean Linton for bringing this to a great looking completion.

Our meeting in June is a dress casual event, and it's our annual BBQ.

Looking forward to seeing you in June,

Noble Charles Mullett
President,
Algonquin Shrine Club

"FROM THE DESK OF YOUR AMBASSADOR"

Nobles, I bring greetings from Illustrious Potentate Jed Handy and his Lady Christine. I trust we are all looking forward to the Spring Ceremonial and supporting our newest candidate. It looks like it's shaping up to be a fun time for all. By the time you read this message we will have enjoyed the Ceremonial so as this is the last one before the summer hiatus may I encourage you to attend as many Parades as possible to increase our visibility in the community. May you all have a safe and relaxing summer.

Noble Ambassador,
Barry Robb

The Chaplain's Corner

Greetings Nobles & Ladies;

As we go through our lives, all of us try to make decisions based on facts known and creating the best results. We do this with Family, Business and personal goals. Many times, we may have a great idea or plan but hold off because we cannot see a great enough return. This return could be money, health or moving an existing project along.

For many of us in the Shriner family, getting older does not mean we don't have great ideas or abilities. We may shelve these thinking we won't have time to see it through or see the fruits of the endeavor.

The one shining exception is our work to help the kids. The Shrine Family will be here to see the results and the Shrine Family will see the projects through even if we as individuals may not be able to. Even long-term projects are worthy when looked at through these lenses.

Together with the help of the Great Architect Of The Universe let us continue to help the children.

Noble Vaughn Lloyd
