FROM THE PRESIDENT'S DESK . . .

I hope all YOU SNOW BIRDS are having a great, enjoyable and safe time in the warm southern parts. We are missing and envying you all! WE are having what many in these parts refer to as an "old fashion winter", however as I recall, we had one of those last year!!

Our February meeting was well attended with a total of 31 hardy Nobles and their Ladies in attendance. We were served a great meal as usual by our Legion Ladies host, of RIBS (yum) with all the trimmings.

Steve Wilkins was our guest speaker for the evening, and he gave us a great insight into the fur trapping industry in not only our area but Canada. He also brought with him a number of furs that he had trapped as well as a display of the different furs that can be trapped in this area. He explained and demonstrated how the traps and regulations have changed over the years to insure that the animals do not suffer but are killed quickly and efficiently.

The 15 rooms that we have reserved for the Spring Ceremonial in Belleville this June are starting to be spoken for, so if you are thinking that you will require a room, Please give me a call, they are first come.

"FROM THE DESK OF YOUR AMBASSADOR"

Nobles;

I bring you greetings from Ill. Sir Jim Rennie and Lady Barbara.

The March Seminars will be at the new Temple on Queens Plate Drive at a cost of \$15 each.

Shrine focus again this year will be on "Burn Awareness". Many of the burn victims received at the hospitals are scalds. It is becoming increasing more important to make the public aware of the increased safety required in the home. To this end the individual shrine clubs are being encouraged to join forces with local authorities (fire departments) and get the info out.

Much of the information can be downloaded from "Shriners Village".

Remember that our work is not just to raise money for the Hospitals but to make the public aware of our services and disseminate the prevention information available to us and the public. Go to the schools, trade fairs, community fairs and events and get the info out there.

With our new approach to financing the care of the children, it is important to remember that "Cost of Care and Services" are provided regardless of the families ability to pay.

The Shriners International Photo Contest is open to all shriners and their Ladies. Entries will be received until March 31st, 2015.

Noble Ambassador
Sean Cook
